Cancellation of All School Activities From 24 to 28 June 2013

SKPS/2013/ P / VP/ 243

21 June 2013

Dear Parent / Guardian,

MOE has been advised by the Inter-Agency Haze Task Force that when the PSI reaches 300, the hazardous air quality will aggravate symptoms in susceptible persons significantly and decrease exercise tolerance of healthy persons.

Therefore, in the interest of the well-being of our students, **our school will cancel all the school activities, including remedial/ supplementary, for the rest of the June vacation from 24 to 28 June 2013.**

Please contact the school at 6384 0809 on weekdays for any clarifications.

Thank you.

Mrs Rabia Shahul
Principal
