With effect from **Term 4**, there will be no co-curricular activities (CCA) on **every Friday** due to the above scheduled holidays or examinations and all pupils will be dismissed at **1.30 p.m.**

During school closure for the PSLE Listening Comprehension and Oral examinations and PSLE Marking Days, the school will provide learning instructions and homework to engage the pupils at home.

We would appreciate it if you can make the necessary childcare / transport arrangements in view of the mentioned dates.

Do contact the General Office at 6384 0809 if you have further queries.

Home-Based Learning (HBL)

As part of the school continuity plan for the haze situation, the school will test the load capacity of the online learning portal to support the home-based learning packages on **8 July 2013, Monday**. This coincides with the scheduled school holiday for Youth Day in-lieu.

Your child will be required to log into the school's learning portal, MCOOnline, to access **at least one** HBL package posted on the consortium site. You will find more instructions on the home page once you or your child have logged into the portal. For this load test exercise, no hard copies of the packages will be sent to households with no computer or internet access.

You are encouraged to sit with your child throughout the lesson and help to provide your feedback about the accessibility of the HBL packages via the link provided at the consortium site.

We really appreciate your feedback as it will help the school improve the current processes of HBL and ensure that our pupils' learning can still take place in their own homes.

Yours sincerely

Mr Albert Chia
Vice-Principal
