Dear Parents / Guardians

## **School Notification Acknowledgement Console (SNAC) and SMART Phone Ownership Survey**

The school will be implementing a smartphone communication system between school and parents. This smartphone communication system, known as School Notification and Acknowledgement Console (SNAC), aims to achieve a higher level of communication effectiveness and workflow efficiency for our information dissemination and communication feedback to parents / guardians.

This App allows the school to send notifications and conduct surveys. A built-in function will also allow parents/guardians to provide important information or decisions via the system. The benefit of this system is that as a parent/guardian, you can access SNAC anytime, anywhere in real time on your mobile phone. You can access more information about SNAC on our school website-[www.sengkangpri.moe.edu.sg](http://www.sengkangpri.moe.edu.sg)

To facilitate a smooth implementation of this system, we would also like all parents to complete the survey and submit it to your child's Form Teacher by 23 August 2013.

Thank you.

Yours sincerely

Mr Lawrence Chan  
HOD ICT/AVA/MRL
