Dear Parents / Guardians of Primary 2 to Primary 6 Pupils,

CONDUCT OF TEMPERATURE-TAKING EXERCISE

1. A twice-daily temperature-taking regime was instituted in schools in 2003 as part of nation-wide control measures against SARS. Daily temperature-taking was suspended from July 2003 when the need for these control measures declines. Since then, schools have continued to maintain vigilance by ensuring that processes are in place for the swift re-activation of temperature-taking measures should it be necessary.
2. As part of the measures to maintain schools' preparedness to resume a temperature-taking regime, there will be a temperature-taking exercise conducted on **Thursday, 7 January 2016** by the school.
3. If your child is found to be having a fever, we will contact parents/ guardian and request that you bring your child back to consult a doctor immediately.
4. To prepare for this exercise, we will be conducting a pre-exercise check on Oral Digital Thermometers (ODTs) on Tuesday, 5 January 2016. We would like to seek your assistance in ensuring that your child brings his / her personal ODT on the three days mentioned.
5. If your child has lost / damaged the thermometer, you can purchase a new one from the school bookshop at a cost of \$4.50 before 7 January 2016.
6. Thank you for your support and cooperation. Together, we can conduct a successful temperature-taking exercise as part of our continuing efforts to provide a healthy and safe environment for all in our school.

Yours sincerely

Mr Dexter Lee
Head of Safety and Security
