Primary 1 - Term 3 Level Letter

The P1 level teachers would like to extend our warm greeting to all parents. We hope that the June holidays have been a fruitful and enriching one. We hope that your child has spent the holiday meaningfully and is enthusiastic to begin Semester 2.

We would like to thank all parents who had made time to connect with the form teachers during the meet-the-parent session held on 25 May. Let's continue to work hand in hand to provide the best support for your child in school and at home.

4As – Attendance, Attire, Attitude and Achievement

As we begin the third term, we seek your partnership in ensuring that your child / ward continues to observe the 4As so as to achieve his / her potential.

Attendance: In Seng Kang Primary School, we emphasise the importance of punctuality. Being punctual allows your child / ward time to prepare his heart and mind for learning. It is also a good habit to be carried through your child's / ward's post-primary school and working life. Please note that students should arrive in school by 7.20 a.m. to enable them to settle down. **Students who arrive after 7.30 a.m. will be considered late.** Please make the necessary transport and child care arrangements to ensure your child is punctual for school.

Attire: Emphasis is also placed on a tidy appearance as tidiness is part and parcel of being ready for school. Every student should arrive in school with his nametag sewn well on every set of his uniform and PE attire. His nails should be cut regularly to maintain hygiene. Please refer to the student handbook for the guidelines on Attire and ensure that your child / ward adheres to it.

Attitude and Achievement: A positive attitude is critical to learning, hence leading to achievement. We have always impressed upon students the need for an excellent mind set. An excellent mindset enables students to produce good quality work which is neat, well-checked and completed to the best of the child's ability. We urge parents / guardians to encourage their child / ward to develop this mindset for excellence by monitoring your child's / ward's homework and the packing of schoolbag according to class timetable.

In line with the whole school approach of using story-telling as a teaching tool, I would like to end this letter with a story on ***Integrity*** which is the value for Term 3.

The Empty Pot

Many years ago in China, there was an emperor. He was getting old and had no son. He needed to find someone to replace him as Emperor of China. He had always loved gardening so he decided to pass out flower seeds to boys throughout the kingdom to choose his successor. Whoever could grow the best plant would become the next emperor.

Boys flocked to the palace for the seeds. Among the boys was Ping, the best gardener in China. His vegetables, sweet peas and melons were always the sweetest and freshest at the market. He carefully planted the seed the Emperor had given him in a pot with rich soil. He watered and cared for the seed, but nothing happened.

Ping decided to plant his seed in a different pot with even better soil. He fertilized the soil and watered it every day. Still, nothing grew.

Finally the day came to take the plants to the Emperor. The boy was despondent, but he took his empty pot and walked to the palace. The Emperor examined the other boys' strong, green plants with a scowl on his face. He frowned even more deeply when he saw the boy's pot. "You brought me an empty pot," he exclaimed. Ping hung his head. He said, "I'm sorry, Emperor. I tried and tried to grow the seed you gave me, but nothing came up."

The Emperor stroked his chin and smiled. Then he said to the people, "May I introduce you to the new Emperor. You see, the seeds I gave you were cooked so they would not grow. I'm not sure how the rest of you get your plants. They are not from my seeds. Ping is the most honest and noble person. He shall be the next emperor."

Hence, it is important that we teach the children that Integrity is about doing the right thing even when no one is watching us. Our thoughts, actions and speech must be aligned with the right values so that others will trust and respect us.

Yours faithfully,

Mdm Nasuha
