Dear Parents/ Guardians,

Safe Management Measures in School Buses

With the end of the Circuit Breaker period on 1 June 2020 and the progressive return of students to school for lessons, we will ensure that the Safe Management Measures (SMM) are in place to keep our students safe as mentioned in the Principal's letter on 29 May 20.

- 2 As part of SMM, we have instructed our school bus vendor to carry out the following:
- Screening of students:
 - Students should be visually screened by school bus operators before boarding the bus. If unwell, the students should stay at home.
 - School bus operators should check if student has any unwell adult family members with flu-like symptoms. If so, they should not be allowed to board the bus either.
 - SMM on the Bus:
 - Students should be wearing a mask while on the school bus.

Students should be assigned seats and spaced out on the school buses, if possible. If not, they should avoid talking/interacting with each other.

3 If you have queries on this matter, please contact Mr Lim Tiong Cheah, Operations Manager at Tel: 6384 0809 or via Email: skps@moe.edu.sg.

Thank you and Stay Safe!
